Notes:

FY09 GEOGRAPHIC DISTRIBUTION OF VA EXPENDITURES (GDX)

OHIO Expenditures in $000s										
County/ Congressional District	Veteran Population*	Total Expenditure	Compensation & Pensions	Construction±	Education & Vocational Rehabilitation/ Employment	Loan Guaranty	General Operating Expenses	Insurance & Indemnities	Medical Care	Unique Patients**

* Veteran population estimates, as of September 30, 2009, are produced by the VA Office of the Actuary (VetPop 2007).

Prior to FY 08, "Loan Guaranty" expenditures were included in the Education & Vocational Rehabilitation and Employment (E&VRE) programs. Currently, all "Loan Guaranty" expenditures are attributed to Travis, TX, where all Loan Guaranty payments are processed. VA will continue to improve data collection for future GDX reports to better distribute loan expenditures at the state, county and congressional district levels.

** Unique patients are patients who received treatment at a VA health care facility. Data are provided by the Allocation Resource Center (ARC).

Expenditure data sources: Federal Assistance Awards Data System (FAADS) for Compensation & Pension (C&P) and Vocational Rehabilitation and Employment (VRE) Benefits; Veterans Benefits Administration Insurance Center for the Insurance costs; the VA Financial Management System (FMS) for Construction, Medical Research, General Operating Expenses, and certain C&P and Readjustment data; and the Allocation Resource Center (ARC) for Medical Care costs.

1. Expenditures are rounded to the nearest thousand dollars. For example, $500 to $1,000 are rounded to $1; $0 to $500 are rounded to $0; and "$ -" = 0 or no expenditures.

2. The Compensation & Pension expenditures include dollars for the following programs: veterans' compensation for service-connected disability; dependency and indemnity compensation for service-connected deaths; veterans' pension for nonservice-connected disabilities; and burial and other benefits to veterans and their survivors.

3. Medical Care expenditures include dollars for medical services, medical administration, facility maintenance, educational support, research support, and other overhead items. Medical Care expenditures do not include dollars for construction or other non-medical support.

4. Medical Care expenditures are based on where patients live instead of where care is delivered.

5. Congressional District data will be available in the near future.
