February 28, 2012

The Honorable Harry Reid  
Senate Majority Leader  
Washington, DC 20510

Dear Majority Leader Reid:

I applaud your leadership and desire to address the financial challenges facing the United States Postal Service (USPS). Ohioans – both those who rely upon the USPS for timely delivery of mail and those who work for the USPS – are concerned about possible closures and consolidations. The Senate and the Postal Service agreed upon a closure moratorium so that Congress could address these challenges. I urge the Senate leadership to make postal reform a priority for action in the month ahead. The American people support legislation that brings financial stability to the Postal Service, supports its employees, protects taxpayers, and maintains a consistent level of mail service.

I appreciate your efforts on behalf of all Americans.

Sincerely,

Sherrod Brown  
United States Senate
