Mike Edelbrock
President
United Steelworkers, Local 624
Lima, OH

Dear President Edelbrock:

During these difficult times, I want you to know that I stand with the loyal workers of Husky Energy in Lima, Ohio who are represented by the United Steelworkers, Local 624.

Today I sent the attached letter to Mr. Asim Ghosh, President and CEO of Husky Energy, expressing my concern for the workers and their families. The lengthy labor dispute has already caused hardship for your members and their families. It's time to reach an agreement that will bring the workers back to work.

It was encouraging to read that the union and the company are back at the bargaining table. It is in this manner that I ask you to keep your spirits high and continue to work diligently towards an agreement that will bring the Lima workers back to work.

I know that your union will work hard to reach an agreement. Please don't hesitate to contact me if I can be of assistance. I stand ready to help both sides reach an agreement that allows the workers to return to the jobs they have performed so well, for so many years.

Sincerely,

Sherrod Brown
United States Senator
